### **Fire destroys rural Zenda home**

An early morning fire Jan. 27 destroyed a rural Zenda home and displaced a family of five, four of whom were transported to Kingman Community

Hospital for treatment of minor injuries.

The call came in at approximately 3 a.m. and members of the Nashville and Zenda fire departments responded to the scene at 11412 SW 110<sup>th</sup> Street, which is two miles north and 2.5 miles west of Zenda. Zenda Fire Chief Jerry Vanlandingham said crews remained on the scene for approximately four hours. The home was a total loss and no cause of the fire has been determined.

Vanlandingham said the weather, which included high winds and cold temperatures, made for challenging conditions for firefighters. No firefighters were injured while fighting the blaze.

The American Red Cross is offering assistance to the family.
